

Dr. Andrew Kroger, MD, MPH

National Center for Immunizations and Respiratory Disease

A Yale and Emory graduate, he is board certified in Public Health and Preventative Medicine. Dr. Kroger has worked for the CDC since 2001. He started his career in the Notifiable Disease Surveillance at the Epidemiology Program Office. Presently, he is a traveling trainer for the Education and Information Branch of the CDC.

Evelyn Brooks

National Meningitis Association

Meningococcal immunization advocate and educator from Roanoke, Virginia. Evelyn travels across the country sharing her personal story of her daughter, Paula, and the dangers of meningococcal disease.

Dr. Martin Mahoney MD, PhD

Associate Professor, Departments of Medicine and Health Behavior at Roswell Park Cancer Institute

Former liaison from the American Academy of Family Physicians to the Advisory Committee on Immunization Practices, a sought-after lecturer on topics related to vaccinations among adolescents and adults, and has multiple publications in this area.

Dr. Gregory Young, MD, FACEP

Associate Commissioner and Medical Director, NYS Health Department - Western Region

He is a practicing Emergency Dept. physician at Buffalo General Hospital, and is an Associate Clinical Professor of Emergency Medicine and Assistant Clinical Professor of Internal Medicine for SUNY at Buffalo.

Dr. Richard Judelsohn, MD

Medical Director, Erie County Health Department

A partner in Buffalo Pediatric Associates, he serves on the faculty at SUNYAB School of Medicine, and is Associate Chair of the New York State Immunization Advisory Council. His interest in vaccinations dates from his appointment as an Epidemic Intelligence Service officer at the CDC in the 1970's.
